EXPERIENCE

Full Stack Developer

FTS(Failure to Success)

📅 August 2021 – August 2021

- Design some responsive websites and Web app using Javascript , Working with Node.js and React in Backend.

Let's Grow More

📅 July 2021 – September 2021

- Design some API related Real world Projects using Front End , Working with React in Web app to get data from Users.

PROJECT

Messaging-Chat Application |PROJECT

- A broadcasting chat application which allows many users to talk at a same time
- Used a bit of **HTML**, **CSS** and **Javascript** in the frontend and **Node.js**, **Express** and **Socket.io** in the backend

Music Player|PROJECT

- A Music Player with next, previous, play/pause and drag operations.
- Used **HTML 5**, **CSS 3** for design and animation and **Javascript** for all the functions.

Drum Kit|PROJECT

- A drum kit in which on pressing alphabetical Keys we can hear different sounds as a real drum sound.
- Used **HTML 5**, **CSS 3** for design and animation and **Javascript** for all the functions

COVID-19 Tracker|PROJECT

- **Covid-19 tracker** which tracks the number of cases, deaths and recoveries of a particular country and allows you to change it
- Used **HTML**, **CSS** for styling, and **Javascript** for fetching the API by Geoplugin and Chart for showing the graph and **Node.js**, **Express** for routing.

EDUCATION

B.Tech in Computer Science

SRM Institute of Science and Technology

📅 2019 – 2023

CGPA:9.1/10

Padmawati Academy

- Class 12th Percent:70.2
- Class 10th CGPA:8.2/10

ACCOMPLISHMENTS

- Solve 500+ Problems including Leetcode,GFG,Codechef,Interview Bit and More.
- Secured Global Rank 91 in Codechef May21C among 28k+ Participants
- Secured Global Rank 306 in Codechef May21B among 6k+ Participants
- Secured Global Rank 492 in Codechef FZBZ21C among 5k+ Participants
- Secured Gloabal Rank 1646 in Codechef Snackdown 2021 Round 1A among 15k+ Participants

SKILLS

C Language

C++

Data Structures and Algorithms

HTML

CSS

Node.js

Vanilla Javascript

Mongo DB

Express

HTTP

BootStrap

Python(Basic)

React.js

Tools

Frameworks/Libraries

Visual Studio Code

Sublime Text

COURSEWORK

- Data Structure
- Design and Analysis of Algorithms
- Operating System
- Database management System
- Object Oriented Design and Programming
- Computer Networks
